**FOR VENDING SERVICES WITHIN THE NEWLY EXPANDED  
QUINTE SPORTS AND WELLNESS CENTRE**

Please note that Item No. 8 on Page Nos. 7 has been revised to read as follows:

**SITE TOUR**

Interested Proponents may attend an 'optional' site tour of the available space in the Quinte Sports and Wellness Centre on **Friday, January 27, 2012 at 1:00 p.m., local time.**

As this is an active construction site, all proponents are required to wear steel toe footwear and a construction hat to the 'optional' site tour.

Also, interested Proponents, if possible, should bring their own safety boots and hard helmets as the Multiplex site is still a construction site.

*Those under the age of eighteen (18) cannot be permitted on the construction site.*
