**RE: New Manufacturing Facility**

Neil Ellis, Mayor of the City of Belleville is pleased to announce the addition of a new employer to the City. **belletile Inc.** has leased property at 35 Dussek Street and will soon start production of the only commercial carpet tile manufacturing establishment in Canada. In partnership with Canadian carpet manufacturer Venture Carpet Inc., **belletile** will open a state of the art manufacturing facility in Belleville, Ontario.

**belletile Inc.** plans to begin production in the fourth quarter of 2010 and is expected to initially employ 30 full time staff from their 108,000 square foot facility.

Rahumathulla Marikkar, VP Operations and General Manager of **belletile Inc.** stated "For us there was no other logical location for this investment. Belleville offers a strategic location for servicing our markets, keen support from City Council and the Province of Ontario, a competitive business environment and we knew there was a trained and motivated labour force in the community that will perfectly meet our needs. We are looking forward to starting production and to growing our business in Belleville!"

"On behalf of the entire City, I would like to welcome **belletile Inc.** to Belleville and to extend to them our appreciation for choosing Belleville as the preferred location for their new state of the art facility. New manufacturing facilities in Ontario don't happen everyday and we are extremely pleased **belletile Inc.** has seen the value of operating their business in Belleville" stated Mayor Neil Ellis.
