Notice of Virtual Public Information Centre

City of Belleville Loyalist (West) Secondary Plan Update

Due to the ongoing COVID-19 situation, the City of Belleville is now conducting all Public Information Centres virtually. Members of the public will still have the ability to provide input and watch meeting proceedings digitally.

The City of Belleville is currently undertaking an Update to the Loyalist (West) Secondary Plan, and will hold a Virtual Public Information Centre (PIC) to discuss the project.

The Virtual Public Information Centre (PIC), as noted above, will be held on February 2, 2022 from 4:00 P.M. to 6:00 P.M.

The Loyalist (West) Secondary Plan area encompasses approximately 950 hectares of land located east of Wallbridge Loyalist Road, south of Highway 401 and north of the Bay of Quinte. The Loyalist Secondary Plan (LSP) was adopted by City Council in 2010, and provides the framework for the current and future development of the Loyalist (West) Secondary Plan Area. An Update to this Plan is an important next step in planning for the future of the City. The Loyalist (West) Secondary Plan Update consists of four phases: project commencement and background review; inventory of existing conditions; land use concept; and strategic framework.

A Location Map of the Loyalist (West) Secondary Plan Study Area is shown on APPENDIX 1 which is attached.

More information concerning the Loyalist (West) Secondary Plan Update can be viewed on the City's website: www.belleville.ca/LSPupdate

Purpose of the Virtual Public Information Centre (PIC): The purpose of this meeting is to provide information and a presentation regarding the Loyalist (West) Secondary Plan Update project.
